

THE MARSHALL FAMILY RECORDS

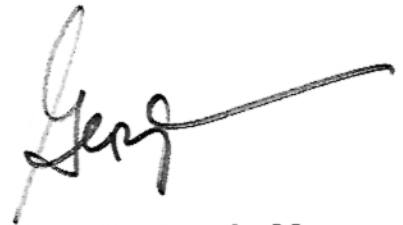

## THE MARSHALL FAMILY RECORDS

The gathering of the following material is the result of efforts of Evelyn Marie Marshall and her husband George Louis Waldbusser. To this day they continue to remain diligent in the gathering and maintaining of the family records in this fascinating anthology of the **Marshall** "clan".

Because of their undying dedication and commitment to this important project, the family history noted in the following pages might never have been available for current and future generations to enjoy with wonder.

Their efforts encompass many years of interviews and investigation into family history, still in progress and never ending.

As a result, it is with immense gratitude and appreciation to both Evelyn and George Waldbuser to whom this material is dedicated.

A handwritten signature in black ink, appearing to read "George J. Marshall". The signature is stylized with a large, sweeping initial "G" and a long horizontal line extending to the right.

George J. Marshall  
nephew to Evelyn
